

## Community Action Risk Mitigation Blogs

A series of Virtual CAP news feeds highlighting resources and training materials from the Community Action Partnership's [National Training Center](#) and the Resource Bank of the [CSBG Training and Technical Assistance Resource Center](#), which can be used to support your agency's efforts in relation to risk mitigation.

### [#1: Community Action Online Risk Mitigation Tools](#)

CAA executive directors, fiscal officers, and human resource managers are often seeking material that can help with risk management for their organization. The Community Action Partnership's Nonprofit Risk Management Center affiliates page is a good place to start.

### [#2: Getting Your Community Action Agency Board of Directors to the Table, Engaged, and Motivated](#)

Webinar recording and other board development material for CAA Boards and executive directors looking to maximize board participation and increase board effectiveness.

### [#3: Visualizing the Health of Your Agency Using Dashboards and Scorecards](#)

Features six resources to help develop an approach that works for you!

### [#4: HR Policy Pushup: How to Pump Up Your HR Policy and Procedures Manual](#)

Webinar recording covers the building blocks of an effective Policy and Procedures Manual which creates the foundation of efficient HR management and execution. Use the Community Action Risk Management Portal to access more than 100 HR Policy Templates that can be customized for use by your agency.

### [#5: Leadership Development and Succession Planning](#)

Leadership development and succession planning go hand-in-hand with ensuring organizational continuity and pertains to CSBG Organizational Standard 4.5.

### [#6: Building Effective Community Partnerships](#)

*Collaboration Checkup: Assessing & Improving Your Community Partnerships* is a toolkit developed to help the Community Action Network better understand the functioning of partnerships so they can more effectively develop and nurture those that have a measurable impact in local communities. - pertains to CSBG Organizational Standard 2.1.

### [#7: Fiscal Fundamentals for Executive Directors](#)

This guide covers the basic things an Executive Director needs to know and their role in the fiscal leadership of an organization. Though specifically addressed to Executive Directors/CEOs, it provides a good overview for any CAA leader looking to learn more about fiscal matters.

### [#8: "Must Have" Financial Information for CAA Boards and CEOs](#)

A CAA's Balance Sheet and Organization-wide Revenue and Expenses statement provide essential info on the organization's sustainability, compliance, and risks. Learn how to find the info jewels on your financials and how to clear away the clutter than can make them hard to see and understand. Also access this week's webinar recording on CSBG Organizational Category 8: Financial Operations and Oversight.

### [#9: Audit Essentials: What Every Board Needs to Know](#)

Addressed to Board members of CAAs, this toolkit walks through the terms and processes of an audit report and how to read financial statements.
